

## Kentuckians in World War II: On the Home Front and in the War Zone Traveling Trunk Supporting Information

### KAS Connections

Activities in this Traveling Trunk are geared to middle – high school students. They are designed to help students develop critical thinking, communication, and analytical skills. Each lesson supports the C3 Framework’s inquiry arc model through the questions students are asked, the questions students develop, their evaluation of multiple sources, and the conclusions and decisions they arrive at regarding their content.
